14 September 2009

To Whom it may concern,

Mr Abdul Gulrez Akhtar, while employed by Al Sharif KEC on the Ma'aden Phosphate Project has been a member of the Ma'aden Project Emergency Response Team. Mr Gulrez joined the team in February 2009 and has received regular fortnightly training conducted by myself in the disciplines of **fire-fighting** and **working at height rescue**. He has proven to be an enthusiastic contributor to the team activities during this time.

Letter of Recommendation: Abdul Gulrez Akhtar

11 October 2009

To Whom It May Concern:

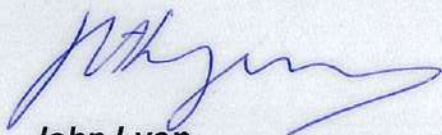

Abdul Gulrez Akhtar was employed by Al Sharif KEC on the Ma'aden Phosphate Project from April 2008 to October 2009. He worked within the Health & Safety Department as a Safety Supervisor during this time.

Abdul completed his work responsibilities with a great desire to succeed. He excelled in the Safety Supervisor role and was seen as a valuable member of the Project Team. The safety supervisor duties that Abdul effectively demonstrated during this work period included, but were not limited, to:

- Tracking and monitoring work permits for compliance;
- Inspection of work areas for safety compliance;
- Conducting field audit for work compliance;
- Interfacing with both his own contractor and Worley Parsons Safety Project Management on safety issues;
- Trained and effectively ensured the safe evacuation or muster of Al Sharif KEC personnel in the event of an emergency situation.

Abdul worked well within the Project Safety Team. He was supportive of his fellow safety officers and worked additional hours when needed. He demonstrated a willingness to learn, assist others in his duties, and take on the tough assignment. Due to his work habits, he was seen as a positive contributor to the world class success of the Ma'aden Project at Ras Az Zawr, KSA.

Sincerely,

John Lyon
