## **Supervision of Postgraduates Students:**

### **1- Sudan Medical Specialization Board (SMSB)**

I strongly participated in the training of the members of the fellowship of Gastroenterology, SNSB from 2014 till 2024.

### **Main Supervisor**

- 1- Osama Eltigani Mohamed Elamin: The Efficacy of Transabdominal ultrasound in detecting Esophageal varices due to Bilharzial portal hypertension in Gezira State. **MD Medicine 2014**
- 2- Montasir Elamin Mohamed: titled Intensified case finding of TB in HIV patients in voluntary counselling and testing Antiretroviral therapy (VCT/ART) center. Wad Madani Teaching Hospital **MD Medicine 2014.**
- 3- Ihab Ali Mohamed prevalence of proteinemia among seropositive HIV patients in voluntary counseling and testing antiretroviral therapy (VCT/ART) center, Wad Madani Teaching Hospital. **MD Medicine 2014**
- 4- Omer Hasim Suliman : titled Correlation between Helicobacter pylori Infection, ABO blood groups and Rhesus factor in peptic ulcer disease patients in Wad Madani Teaching Hospital Gezira State Central Sudan. **MD Medicine 2014**
- 5- Omyema Abbas Ahmed: titled The Sensitivity and Specificity of ICT in Detecting Helicobacter Pylori as Compared to CLO test in Peptic Ulcer Patients in Gezira Centre for Endoscopy and Laparoscopic Surgery. **MD Medicine 014.**
- 6- Izzadin Elawad Dafaalla : titled Prevalence of HBV and HIV Infection Subjects in Wad medani Teaching Hospital Voluntary counselling and Antiretroviral Therapy (VCT/ART) center. **MD Medicine 2012**

### **2- Postgraduate Student University of Gezira**

### **Co- Supervisor:**

- 1- Mohamed Jumah Hamed Alaqqad : Bleeding Esophageal varices Clinical presentation and outcomes of management at Wad Madani Teaching Hospital. **Partial fulfillment of MD in Clinical Surgery June 2011.**
- 2- Mohamed Hassan Karameldin: Schistosomiasis Among school pupils in Ganies Area, Blue Nile State Sudan. **MSc degree in Community Health. June 2009**
- 3- Elwathiq Khalid Ibrahim: Anatomical Abnormalities of Biliary Tract in Sudanese Patients Attending to Hepatobiliary Surgery, **PhD in Clinical Imaging.**
- 4- Elebaid Mohamed Yousif: titled Screening of Hepatitis B and C Viruses (HCV and HBV) among Blood Donors in Wad Madani Teaching Hospital, Central Blood Bank, Gezira State, Central Sudan. **PhD of Science**
- 5- Fatima Mohammed Elhassan Elnadif: titled Effect of Diabetes Health Education on Hb1c and Health Related Quality of Life for Type-2 Diabetes Mellitus at Abu-Agla Center in Wad-Madani, Gezira State, Sudan. **PhD in Community Health**

**Examiner committee (Internal Examiner)**

1. Hisham Baikir Suliman: titled Bacterial Urinary Tract Infection in Diabetic Patients and The Antibiotic Susceptibility of Their Isolates. **Msc in Bacteriology2009.**
- 2.Hind Osman Taha: titled Comparison of Histological, Microbiological and Biochemical Methods for Detection of Helicobacter Pylori in Gastric Biopsies, **partial fulfillment of Clinical MD in Clinical Pathology2010**
- 3.Mohamed Saeed Elsamani: titled Prevalence of Anemia among Quranic School(Khalwa) Students(Heiran) in Wad Elmagboul Village, Rural Rufaa, Gezira State, Central Sudan, **partial fulfillment of MD Clinical Pathology2013.**
- 4.Sara Abdelmniem Abass: titled T-cell Lymphoma/Leukemia Virus among Sudanese Blood Donors in Wad Madani, Sudan, **partial fulfillment of MD in Clinical Pathology 2013.**
- 5.Fatima Mohamed Elhassan Elnadeef: titled Interpersonal Communication Versus Education for Type-2 Diabetes Mellitus at Abu-Agla Centre in Wad Madani, Gezira State, Sudan, **MSc Degree in Science2012.**

6. Ehssan Hasabelrasoul Hassan. titled Epidemiology of Hepatitis B Virus Infection (HBV) among Students of Health Sciences Faculties in University of Gezira, Sudan. **PhD in Sanitation and Community Health 2012**
7. Khageega Hamed: titled Medical Insects Mapping in Wadramly District, Khartoum State, Sudan. **MSc Degree in Science 2010**
8. Elfatih Rabie Abdalla. titled Effect of Health Education in Promotion of Knowledge, Attitude and Practice of Shipping and Evacuation Laborers at Port Sudan towards Heat Strokes (Heat Related Diseases). **MSc Degree in Community Health 2011**
9. Fadwa Mohamed Omer. titled Effect of Health Education in Promotion of Knowledge, Attitude and Practice of Veterinary Workers towards Prevalence of Brucellosis Infection in Al Ain area, Eastern Region United Arab Emirates. **MSc Degree in Community Health 2012**
10. Najwan Abdelraziq Hamid. Titled Effect of Health Education in Promotion of Knowledge, Attitude and Practice of Type-2 Diabetic Patients in Wad Madani Teaching Hospital. **Partial Fulfillment of MSc in Health Education 2013.**
11. Zubaida Ali Khalil Ibrahim. titled Effect of Social Support on Mothers Emotional and Physical Responses During Childs Bone Marrow Transplant and Cancer Chemotherapy in King Faisal Specialist Hospital and Research Centre, Kingdom of Saudi Arabia (2010-2014). **Degree of Doctor of Philosophy.**
12. Eltoma Musa Mohammed. Critical Care of Nurses Toward a Structured Training Frame Work at Prince Sultan Medical City, Saudi Arabia (2013-2016) **Degree of PhD in Community Health.**

## **Workshops and Meeting Attended**

- Digestive Disease Week, Libanon, 10th of Oct 2017.
- IBD12, The big questions, Lisbon Portugal 19-21 Nov 2015.
- The 2nd African Diabetes Congress 25th-28th Feb 2014- Yaonde Cameroon.
- Workshop on Research Themes and Priorities 14th of March 2013, University of Gezira

- Sudanese Association of Physicians, 26th Scientific Conference, Port Sudan, 1-3 March 2013.
- Workshop on development of curriculum, nursing, Wad Madani Medical College, 5-6 Feb 2013.
- Workshop on development of curriculum, surgery and medicine, Wad Madani Medical College 23-24 Jan 2013.
- Workshop on management of cancer in Sudan, current situation and ambitions Wad Madani Cardiac Center 17th of December 2012.
- Workshop of Scientific Research: Status, problems, perspectives 7th of March 2012. Elshuhada Main Hall, Elnishishiba, Wad Madani, Sudan.
- The 3rd International Conference of the Sudanese Society of Gastroenterology and AMDSO, 11th-13th Feb 2012, Khartoum-Sudan.
- One Day Workshop on Endoscopy and Laparoscopy, in collaboration with the Sudanese Association of Surgeons, Mid-Term Conference-Wad Madani, Jan 2012.
- Workshop on Program Evaluation, EDC Wad Madani, College of Medicine Oct 2011
- Raising the standards of care for GERD and peptic ulcer disease: What is the best available evidence? June 30-July 1, 2011 Istanbul, Turkey.
- The second training course on Capsule Endoscopy 25th of Jan 2011, U.A.E.
- 3rd Congress of the African Middle Eastern Digestive Cancer Alliance (AMDCA). Feb 4-5, 2011 Rabat, Morocco.
- Gezira Family Medicine Project Workshop, April 2011.
